

Inspiring Trust

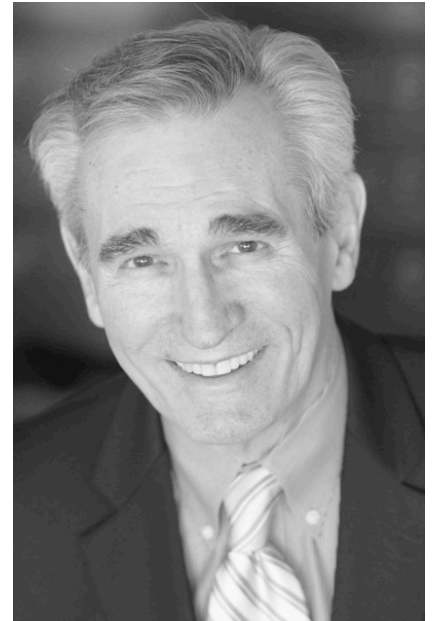

A workshop for people who want to WIN on video and in person.

- ✓ Do you attract prospects and persuade them to become your clients?
- ✓ Do your leadership skills convince people to buy your idea?
- ✓ Do you come across as bold, confident and compelling when you speak?
- ✓ Are you a powerful video spokesperson for your business web site?

Join us for eight hours that could set your career or your business on the track to power, success and a new way to feel about yourself! We'll do a full day of professional, corporate presentation skills training working on your real-world presentation with slides, and giving you personal charisma coaching. We'll hone your TV & media skills; you'll leave with a web ready video to add to your online business home page

You will leave with these personal accomplishments:

- A new awareness of your own power and potential
- A personal branding statement that works on video
- The ability to create rapport when speaking live
- Know the vital techniques of persuasion
- Be able to inspire others to trust you
- Star in a "spokesperson" video to take away
